# East Side Radio Control Aircraft Club

You are invited to checkout the R/C model aircraft hobby. See exciting flight demonstrations, talk to club members, and get useful information on getting started in the hobby.

Did we mention - *This is a great father & son activity.* Our members run in age from 14 to 70s – everyone is welcome! Members under 18 must be accompanied by an adult.

**When:** Sunday afternoon, April 27<sup>th</sup> @ 1pm.

**Where:** North of SIUE, Edwardsville Campus.

The field is near the north end of SIUE. From IL-157, head west on University Dr. and turn right at the first traffic light. The field is about a mile ahead on the left. From IL-143, go south on University Drive North, the field is a few miles ahead on the right.

See you there.
