MERRY CHRISTMAS

From the ESRC "Oval Office"

I hope Santa left you a nice kit or ARF under your tree. 2005 was a good year for the ESRC club. We had a number of great flying events, and we made significant improvements to the flying field. The shelter was covered with wood stain, the bulletin board was repaired, and new spool tables were obtained. Thanks to all the "go getters" that made this possible. Also, thanks to all of you for maintaining excellent relations with the public that shares our flying area. From dog walkers to unscheduled track meets – everyone kept their cool and flew in a safe and courteous manner! With your help and participation, 2006 will be an even better year. I look forward to seeing you at the next meeting or at the field. Have fun – fly safe!

Scott

2006 Club Officers

Elections for club officers were held at the Nov meeting. Our current President, Secretary and Treasure volunteered to serve another year and were reelected. Craig Watson stepped forward and was elected as our VP. We all thank Steve Teeple for serving as our club VP in 2005.

Our Club Safety Officer position is still open and we are looking for a volunteer to serve in this important position. Please consider it and contact any club officer if you have questions.

Winter Meetings

Meetings are held at the Glen Carbon Senior Citizens Center on the second Sunday of each month at 3PM. Mark your calendar for Jan 8th, Feb 12th, Mar 12th, and April 9th.

Aviation Truism (mostly true)

"If the wings are traveling faster than the fuselage, It's probably a helicopter – and therefore, unsafe." Unknown Philosopher

Coming Events

2006 Frozen Finger Fly

Tomorrow at Noon – put your batteries on charge and see you there.

SLRCFA'S 4th Annual Internet Fly-In

Its official... on June 18-19, 2005 the St. Louis Radio Control Flying Association, known as SLRCFA or SLRC, will be the host for the 4th Internet Fly -In. They have a premier flying site that consists of 11-acres with a 42' by 600' paved runway, taxiways, and pit areas, a gravel parking lot, on-site electric, BBQ pit, and a 24' by 40' pavilion. Their flying site is surrounded by 1200 acres of farmland. For more information on the St. Louis Radio Control Flying Association you can visit: <http://www.slrcfa.com> or <http://www.internetflyin.com/>

Thanks we hope to see you there!

Stan King, STRCFA member/director

Membership – It is that time of year again – please renew your membership early and take advantage of the discount. Also remember to wear your 2006 membership cards at the field! It's the only way we can tell whose AMA and ESRC membership are current.

Safety – When you renew your membership for 06, please remember that we all sign our names to the renewal form and certify that we have reviewed and understand the AMA and ESRC safety rules.

Lots of time left to look over your R/Cairplanes for safety issues. Take a close look – you may be surprised what you will find.

A Reminder - if you change your email address, please let the secretary know. Email news letters save the club over \$300 a year.
