REPORT OF THE MARCH 13, 2005 MEETING:

SOLO'S - NONE REPORTED FOR 2005.

MEMBERSHIP – As of the last meeting, we only had 27 members in the club who have renewed. Club membership ends December 31st, so if you have not renewed and are out at the field fly, you are not current!! Please remember to wear your 2005 membership cards at the field! It's the only way we can tell whose AMA and ESRC renewed!

Membership cardholders are available from several of the club officers, so ask for one the next time you see them. CURRENT cards are to be displayed when flying.

New Magazine – There is a new RC magazine called

Web site: www.eastsiderclub.com (NEW NAME)
no 's' in clubs.

The NEW web site is up and running! There are many things still left to turn on, connect, design, and fix; so please be patient! The 'Discussion Forum' not the members private message area, is up and running!!!
Anyone who has ever sent in a picture for the web site, PLEASE resend them to Tom King for transfer to the new website.

Spring Clean Up At some time in the next four weeks, we are trying to put together a clean up day at the field. Power wash and re-stain the shelter, police up the grounds, stain the pavilion, re-paint the pilot stations and pipe rails; just basically get ready for the season. No date or time has been set, so please consider a couple of hours helping out!!

Club web site: www.eastsiderclub.com

For those who have not noticed, Bill Holloway has been taken off the instructor roster. It was his request! Bill will unfortunately be leaving us in 3 or 4 months for assignment to Germany. I for one, will greatly miss his friendship and wit! Say hi, the next time you see him flying!!!

'Sport Aviator'. Their web page is www.masportaviator.com.

Bulk Fuel – Order going out Wednesday! Any one interested in a bulk fuel order, please email me. Right now I have 17 cases committed to, so we have obtained the maximum discount!!! It's time to put a few gallons back with Spring here and get ready for those warmer days. Besides the saving you get! Even if you only want a gallon, I will put a list together from every ones email and will see how big the order will be, which will also set the pricing! Email me now at watersports@mindspring.com Remember you don't have to take a whole case.

Safety – Please remind your visitors AND others you see, to remain behind the pipe line, unless invited by a pilot, who is escorting them!

With Spring comes the runners, dog walkers, kite flyer and some really dumb people!! Please be courteous first, you can always get louder later!

Also, there has been a lot of confusion lately on flying the "pattern" when there is a group at the field. Unless dictated otherwise by the wind, we fly North to South. So please, watch the pattern and when heavy, have a spotter!!!

ALL are urged to re-read the field flight and safety rules for the flying field!

Remember, each year you renew your membership; the statement at the bottom says you have read the AMA and club by-laws. The By-laws may be read on the NEW club website!

Aerobatic flying – Jeff Mueller is still looking for those interested in discussing IMAC aerobatic flying. You should see some of his new 30plus %!!! For more information please contact Jeff at jeffrey.mueller@scott.af.mil or 667-0643.

Other Correspondence -

AMA renewal package has been received.

Discussion was held concerning rolling the field. Earl Westergom possibly had an individual to do this for 60 to 85 dollars.

As many members are aware, the North entrance road is beginning to look like a bomb zone. After some discussion, it was decided that Roger Watson would contact SIUE to determine if any assistance from SIUE would be available, as this

problem has been enlarged due to the buses and large events.

Anyone have a contact who could help us with patching and possible resurfacing the North entrance, contact a club officer!!!!!!!!!!!!!!

New Board members for 2005:

Earl Westergom
Roger Watson
Dwight Hayen
Cliff Wisser

2005 Calendar of Events

April 23rd Public Fun Fly/Swap Meet
May 15th Builders Contest
June 25 & 26th Float Fly, Horseshoe Lake
September 11th Fall Club Picnic

HELP!!!! Does anyone know or even have a friend of a friend, who can help us fix the pot holes on the North entrance road to the shelter. If you don't do something soon, it's going to be a total loss!!!

By-Laws: Two changes to the by-laws were approved at the last meeting and may be read on line at the club web site.

Thanks to Ryan VonTalge for holding a heli tune up class at the last meeting

Check out the current years pictures on the new ESRC web site!

Club Instructors

The following members have agreed to serve again as instructors. All new members should contact an instructor to complete their training and obtain approval for solo flight.

Primary Training

Tom King	288-5021
Earl Westergom	288-6214
Andy McKellar	667-8378
Ron Moidel	288-7070
