

East Side Hangar

Volume 9, Issue 4

April 2007

YMCA Day

YMCA Day was a great success with lots of smiling kids. Thanks to all the club members that turned out with trainers and just helped out in general by showing their aircraft and talking to the visiting families. Professor Calvin conducted a well received class on Aerodynamics (Apparently he knows what he is talking about as I saw several third graders taking notes).

2007 F3D (Pylon) World Championships

The Academy of Model Aeronautics will host the **2007 F3D (RC Pylon) World Championships**. FAI (Fédération Aéronautique Internationale).

The World Championships will be held at AMA's International Aeromodeling Center in Muncie, IN June 23-June 28 2007.

"FREEBIE" Quiet Flyer Magazine

The AMA provided 10 copies of the Quiet Flyer magazine to hand out. Earl still has some left so see him at the next meeting.

F3C Helicopter Judges Training Course/Presentation Is Available

This presentation is in PDF format. It was developed by Swiss FAI judge Juerg Schmitter. It is an excellent presentation for those interested in judging the FAI F3C Helicopter class. Pilots will also find the presentation useful. Take a look at:
