ROTC Training

The ROTC will conduct field training exercises on March 23 and 24th at the ESRC flying field. The field will be used for helicopter arrivals and departures closing the field on Saturday from noon until 6 p.m. and Sunday from 7:30 a.m. until 1 p.m. It is probably best to avoid the field all day.

SIUE Road Closure

North University Drive will be closed to through traffic in both directions between New Poag Road and Lewis Road beginning Monday February 5 to April 1.

Traffic on New Poag Road and the section of North University Drive between New Poag Road and Route 143 will not be affected. Access to the cross country course, flying field and observatory will be possible only from the Lewis Road barricade.

University traffic which normally uses the North University Drive entry may use Northwest University Drive as an alternate route.
