Frozen Finger Fly

Seven hearty souls showed up to bring in the new RC flying season (Cliff Wisser is behind the camera).

Everyone had some problems starting engines but eventually all were running after a quarter turn to the rich side - and lots of starter time.

Talk to Rich Mowery Before Buying New RC Equipment

Rich can sell JR and Hanger-9 equipment, radios, planes, etc for well under dealer pricing.

Some examples:

JR9303 2.4 with charger, 921 rec. \$500.00 plus JR shipping.

How about a high end AR-9100 safe guard RX..JR 's price is \$219.00 - Rich can sell it for \$180.

Rich is also offering high end RC airplane repair and modification services. He was recently selected, over several out of state repair specialists, to repair and modify a Carden 40% and a Extra 260. Rich really knows what he is doing on the high end birds so give him a call if you or a buddy need help. Next News Letter will include pictures of his repairs.

Considering the weather - here are some airplane surfing sites for you:

- OS Engine After-Run Recommendations

Don Miller says this is worth reading - check it out on the RC Universe forum.

- What is it like to fly in the U2 aircraft?

Click the link below. Amazing that this aircraft was built in the 60's and is still flying.....

- Can a Ford Tri-Motor do aerobatics?

Surprisingly - Yes, see below:

- Kangaroo jet crash.

Wrong rudder input during knife-edge. Painful to watch. Submitted by Rich Mowery.

How Bad is the economy?

The economy is so bad that I got a pre-declined credit card in the mail.

It's so bad, I ordered a burger at McDonald's and the kid behind the counter asked, "Can you afford fries with that?"

The economy is so bad that CEO's are now playing miniature golf.

The economy is so bad if the bank returns your check marked "Insufficient Funds," you call them and ask if they meant you or them.

The economy is so bad Hot Wheels and Matchbox stocks are trading higher than GM.

The economy is so bad McDonald's is selling the 1/4 ounce.

The economy is so bad parents in Beverly Hills fired their nannies and learned their children's names.

The economy is so bad a truckload of Americans was caught sneaking into Mexico .

The economy is so bad Dick Cheney took his stockbroker hunting.

The economy is so bad Motel Six won't leave the light on anymore.

The economy is so bad the Mafia is laying off judges.

The economy is so bad Exxon-Mobil laid off 25 Congressmen.

Congress says they are looking into this Bernard Madoff scandal. Oh Great!! The guy who made \$50 Billion disappear is being investigated by the people who made \$1.5 Trillion disappear!

And, finally... I was so depressed last night thinking about the economy, wars, jobs, my savings, Social Security, retirement funds, etc., I called the Suicide Lifeline. I got a call center in Pakistan, and when I told them I was suicidal, they got all excited and asked if I could drive a truck

Glorious Insults

These glorious insults are from an era when cleverness with words was still valued, before a great portion of the English language got boiled down to 4-letter words, not to mention waving middle fingers .

The exchange between Churchill & Lady Astor: She said, 'If you were my husband I'd give you poison,' and he said, 'If you were my wife, I'd drink it.'

A member of Parliament to Disraeli: 'Sir, you will either die on the gallows or of some unspeakable disease.' 'That depends, Sir,' said Disraeli, 'whether I embrace your policies or your mistress.'

'He has all the virtues I dislike and none of the vices I admire.' - Winston Churchill

'A modest little person, with much to be modest about.' - Winston Churchill '

I have never killed a man, but I have read many obituaries with great pleasure.' Clarence Darrow

'Poor Faulkner. Does he really think big emotions come from big words?' - Ernest Hemingway (about William Faulkner)

'Thank you for sending me a copy of your book; I'll waste no time reading it.' - Moses Hadas

'He can compress the most words into the smallest idea of any man I know.' - Abraham Lincoln

'I didn't attend the funeral, but I sent a nice letter saying I approved of it.' - Mark Twain

'He has no enemies, but is intensely disliked by his friends.' - Oscar Wilde

'I am enclosing two tickets to the first night of my new play; bring a friend.... if you have one.' - George Bernard Shaw to Winston Churchill

'Cannot possibly attend first night, will attend second... if there is one.' - Winston Churchill, in response.

'I feel so miserable without you; it's almost like having you here.' - Stephen Bishop

'He is a self-made man and worships his creator.' - John Bright

'I've just learned about his illness. Let's hope it's nothing trivial.' - Irvin S. Cobb

'He is not only dull himself, he is the cause of dullness in others.' - Samuel Johnson

'He is simply a shiver looking for a spine to run up.' - Paul Keating

'There's nothing wrong with you that reincarnation won't cure.' Jack E. Leonard

'He has the attention span of a lightning bolt.' - Robert Redford

'They never open their mouths without subtracting from the sum of human knowledge.' - Thomas Brackett Reed

'In order to avoid being called a flirt, she always yielded easily.' - Charles, Count Talleyrand

'He loves nature in spite of what it did to him.' - Forrest Tucker

'Why do you sit there looking like an envelope without any address on it?' - Mark Twain

'His mother should have thrown him away and kept the stork.' - Mae West

Some cause happiness wherever they go; others, whenever they go.' - Oscar Wilde

'He has Van Gogh's ear for music.' - Billy Wilder

Hangar 9 - Advance - \$50

This is an excellent Sunday flyer.

It is used and has some repairs but is in solid condition.

Gee Bee 28" Floats - \$15

These are NIB w/all mountings & instructions

Upgraded Fuel Pumps

Ron has 2 Fuel Pumps that he repaired by upgrading the coupling between the motor and pump. The coupling is the weak point of the pumps and is why they fail. My upgraded pumps are used but work as good as new and will last many times longer than original. One is a Hobbico and the other is a Hangar 9. \$10 each

HiTec HS-422 servos

Servos are new but not in boxes. Ron installed them in a plane he was building and then decided to upgrade the servos before he finished.

\$30 for all 3 - Tower Price is \$12.49 each.

AD space available - send pix of your goodies to Earl.
